Dear Brothers Chapter members, as I wrote in the letter of indiction to all the religious poor servants, I now address these words to you in particular: "the Chapter is an event of the Holy Spirit and nothing can be achieved if we do not

base on prayer and spiritual deepening on what we do. No prophecy is born of hyperactivity or concentration in human technicalities. The Chapter will be a prophetic event if it is the fruit of an interior silence openness to listening to the Word of God and the life of every human being today. Therefore, the realization of an adequate spiritual preparation will be unavoidable to the success of the Chapter. "

As the general council and the pre-chapter commissions of delegation / mission have repeatedly said, the XII General Chapter has already begun and we can see its fruits in the great synodal movement that is involving in the Opera.

It is a journey together, men and women religious, and lay people, united as one big family, desirous to be a prophecy of communion through listening, dialogue, and discernment.

It is a great grace and a great responsibility.

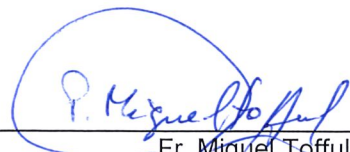

Virgin Mary "Mistress of the Opera, pray for us!

St. John Calabria, pray for us!

I remember you all in my heart and bless you.
